San Francisco, CA (August 2013) –San Francisco Playhouse (Bill English, Artistic Director and Susi Damilano, Producing Director) launch the first year of their second decade, now in a new venue at **450 Post Street**, with the Tony nominated and Pulitzer finalist *Bengal Tiger at the Baghdad Zoo (BTBZ)* by Rajiv Josef, directed by **Bill English**.

“A savagely funny & visionary new work of American theater”—NY Times

The lives of two American Marines and an Iraqi translator are forever changed by an encounter with a quick-witted Tiger who haunts the streets of war-torn Baghdad attempting to find meaning, forgiveness and redemption amidst the city’s ruins. **Rajiv Joseph's** (*Animals out of Paper, North Pool*) groundbreaking new American play explores both the power and the perils of human nature.

Artistic Director, Bill English has been pursuing this play for five years because “It asks the biggest question of our lives, ‘Why are we here?’ We are all part animal, part spiritual, and our success at being human is defined by how we balance our two natures. BTBZ is the perfect kick-off for our season of Body and Soul.”

The *BTBZ* cast teams up Bay Area award winning actors: **Gabriel Marin***, **Craig Marker***, and **Will Marchetti*** with new faces to the Playhouse, **Kuros Charney***, **Livia Demarchi**, **Pomme Koch**, and **Sarita Ocon**. The design team includes **Bill English** (Set), **Dan Reed** (Lights), **Steven Klems** (Sound),

Located right in the heart of the Union Square Theater District, **The San Francisco Playhouse** is the city's Off-Broadway company, an intimate alternative to the larger more traditional Union Square theater fare. The San Francisco Playhouse provides audiences the opportunity to experience professional theater with top-notch actors and world-class design in a setting where they are close to the action. The company has received multiple awards for overall productions, acting, and design including the SF Weekly Best Theatre Award and the Bay Guardian's Best Off-Broadway Theatre Award. Presenting a diverse range of plays and musicals, **The San Francisco Playhouse** produces new works as well as re-imagining classics, "making the edgy accessible and the traditional edgy." The company's 2012-2013 season marked its 10th anniversary and as it moved to a newly renovated venue, The San Francisco Chronicle raved: "On the verge of opening its 10th season, the company that lived a hand-to-mouth existence for its first few years has become the little playhouse that could. It quickly established a reputation for attracting some of the Bay Area's best acting and directing talent, as well as for its exciting play choices. And with its bold Sandbox Series, it's become a player in developing new works as well." **The San Francisco Playhouse** is committed to providing a creative home and inspiring environment where actors, directors, writers, designers, and theater lovers converge to create works that celebrate the human spirit.
